

## 6 Kensington Road Bolwarra NSW

3  1  1 

Perfectly positioned behind established gardens and a double brick and terracotta facade, handsome proportions retain their magnificent originality in a location backing onto farmlands and surrounded by the beauty of a prestigious and sought after suburb.

In original condition, the character-filled interiors offer superb scope for updating with generous proportions and a superior floor plan providing the basis for you to make your mark on this charming home whilst old school charm presents high ceilings and timber windows throughout.

At the heart of the home, the living and dining zones create an exquisite family environment combining original features with the grandeur and elegance of its era.

With three large bedrooms all accommodating built-in

**Price** : \$ 775,000
