

320 Fishers Hill Road Fishers Hill NSW

5 🏠 3 🚗 2 🚗

Nestled in a serene rural setting, surrounded by the natural beauty of lush green pastures and a mix of cleared and moderately timbered land, this classic country residence sits on its own private paradise of 29.8 hectares (73.6 acres).

Combining contemporary living with spacious and a flexible design, this home offers expansive dimensions suitable for various family dynamics and dual living arrangements.

The main 4-bedroom residence features an open plan kitchen and dining room anchored by a classic combustion fireplace, creating a warm and inviting atmosphere under a stunning raked ceiling showcasing exposed timber beams whilst offering a postcard perfect panorama as you look
